TO : SAC (89-69)

DATE: 11/25/63

FROM : SA NATHAN O. BROWN

SUBJECT: ASSASSINATION OF PRESIDENT JOHN F. KENNEDY, 11/22/63, DALLAS, TEXAS

EDWARD VOEBEL, who resides at 4916 Canal (location of Quality Florist Company) advised he knew OSWALD at Beauregard Junior High School during 1955 and 1956. He recalled that OSWALD once had a fight at Beauregard with JOHN and MIKE NEUMEYER but, he, VOEBEL, never learned what the fight was about. He said he recalled the NEUMEYER brothers presently having a narcotics charge outstanding against them. He stated that he was the only person he knew of who associated with OSWALD. He recalled that OSWALD invited him to play pool at a pool hall near OSWALD's home, which was at that time in an upstairs apartment at 126 Exchange Place. VOEBEL stated he was taking music lessons at Werlein's during this time and would stop by OSWALD's apartment each week after he took his lessons and shoot pool. VOEBEL stated he also visited OSWALD at his apartment on several occasions.

VOEBEL stated that OSWALD had a plastic .45 caliber automatic that he showed him one day, which looked real. OSWALD told VOEBEL he would like to have a pistol and disclosed a plan he had to steal a gun. VOEBEL recalled that OSWALD had a box which contained a glass cutter and a piece of silk. OSWALD said he was going to cut a screen and then cut a window glass from a store and steal a gun. VOEBEL stated he went with OSWALD to a store which he recalled was about the third establishment from Walgreen's on S. Rampart St. OSWALD pointed out what VOEBEL recalled was a small automatic and said this was the gun he planned to steal. VOEBEL showed OSWALD the silver trim on the window which was connected to an ADT alarm system and told him if he attempted to break this glass a burglar alarm would ring. He stated based on this information OSWALD did not attempt to steal this gun.

VOEBEL said OSWALD never told him why he wanted to steal this gun and never gave any indication of his intentions after he did steal a gun. VOEBEL said OSWALD never discussed anything about

Marxism or Communism nor did he ever make any comments detrimental to the U. S. Government or the President. He stated he did not think OSWALD had formulated any political ideas at this time of his life. He said OSWALD appeared to be extremely bitter since his father died when he was young and that he had gotten a rotten deal in life but he did not direct this bitterness towards any particular person.

He said that he and OSWALD were members of the Civil Air Patrol with Captain DAVE FERRIE. He also recalled that one ROBERT ESTAV (PH), who lived on Hennessey Street, was in the same class at Beauregard and also was a member of the CAP unit. He said that he, VOEBEL, had no contact with OSWALD from the time OSWALD left New Orleans in 1955 or 1956 and heard nothing concerning his whereabouts until he read about OSWALD's arrest in connection with the shooting of the President.

VOEBEL said he was in Mexico on the Yucatan Peninsula in August, 1963 when OSWALD was in New Orleans. VOEBEL said he was in Mexico with a group from LSU and did not know that OSWALD had been here until he learned this after the shooting of the President.
